Participant Safety Policies & Agreement

To ensure the quality and safety of our therapeutic riding lessons for our riders, volunteers, and horses, we have established the following policies at Heaven's Gait Ranch. Please read and sign the agreement below.

Riders

- Any rider 150 pounds or more must be able to independently remain centered and balanced on his or her horse so that side walkers are not required for primary physical assistance.
- Heaven's Gait Ranch reserves the right to determine whether mounted or unmounted equine activities are safe and appropriate for both horse and rider. This may vary from week to week.
- If a person is not eligible for therapeutic horseback riding, Heaven's Gait Ranch offers alternative equine-assisted activities that do not require mounting. Participants may still build relationships with our horses by grooming, feeding, bathing, and caring for them in a safe environment.
- All participants must wear an approved riding helmet (ASTM-SEI Certified) during equine activities, both mounted and/or ground. Helmets are provided by Heaven's Gait Ranch for participant use. Staff assist with proper fit and adjustments prior to the start of each lesson.
- Because safety and consistency come first at HGR, riders may be dismissed from our program for the following reasons. This determination will be made by Instructors and the Program Coordinator. If a rider is dismissed from HGR's program, a prorated refund will be issued.
 - A rider, his or her guardian, or visitor engages in unsafe, combative, or disruptive behavior toward staff, volunteers, or horses.
 - A rider, his or her guardian, or visitor does not follow HGR's policies & procedures on site.
 - A rider's deteriorating health begins to contraindicate horseback riding.
 - A rider misses three consecutive, unexcused absences (unless for medical reasons)
 - A rider, his or her guardian, or visitor is destructive to property at Heaven's Gait Ranch.
 - A rider, his or her guardian, or visitor attends their scheduled lesson time under the influence of illicit drugs or alcohol

Horses

- As our horses age, we must be conscious and considerate of their needs, just as we would for our riders. For most of our horses, therapeutic riding has become their second, third, or even fourth career; therefore, some require weight limits for health reasons. The staff and volunteers at HGR strive to keep all of our horses healthy, safe, and sound; however, there may be times when the horses available may not be suitable for certain riders. This determination will be made on an ongoing basis, and HGR will adjust teams accordingly.
- If a horse's health no longer permits him to safely perform mounted activities, staff, volunteers, and participants at Heaven's Gait Ranch will care for him through nurturing and meaningful groundwork as he enjoys retirement.

The staff, volunteers, and horses at Heaven's Gait Ranch thanks you in advance for adhering to these safety standards!

Participant Safety Agreement

I have read the rider safety policies at Heaven's Gait Ranch. I understand the expectations for riders, their parents or guardians, and visitors at this PATH International Member Center.

HGR's Cancellation Policy

Occasionally HGR will cancel lessons due to extreme weather or on site working conditions; participants will not be charged whenever HGR initiates a cancellation. When it's raining/snowing, alternative activities are safely planned for the day in the barn, which may include unmounted activities or telehealth, remote services. All staff come to work because they're expecting their participants to show. The lesson fee is the same whether the participant engages in mounted or unmounted activities.

If a participant cancels within 24 hours of their scheduled lesson time, then the participant is personally charged for the full cost of the lesson. This includes families who pay out of pocket, participants on scholarship, and participants funded by county agencies. We understand that health emergencies arise; however, if a participant misses three consecutive lessons, then they will lose their allotted day and time for the remainder of the session. Participants may not begin a new session with an outstanding balance from previous lessons provided or last minute cancellations initiated by the participant/family.

Participant Cancellation Policy Agreement

I read and acknowledge the information written above, including HGR's Program Fees & Cancellation Policy. I understand HGR's policy, and I agree to privately pay for the full cost of my lesson if/when I cancel within 24 hours of my scheduled lesson time.
